Construction Trades CTE Career Cluster: Architecture & Construction

WHAT TO KNOW

The Construction Technology program is a two-year classroom, laboratory, and job site-based program where the content is delivered through lectures, demonstrations and hands-on activities. The program is designed to provide an overview of many areas of construction including; employability skills, safety, construction mathematics, construction tools, equipment, materials, print reading, carpentry, electrical, mechanical, plumbing, masonry, heavy equipment, civil construction, construction careers and business management. Under the supervision of the Construction Technology teacher, para-educator, and local contractors, students will work on a house-building project as a large part of the program.

CLASSROOM AND PROGRAM HIGHLIGHTS

Some highlights of the program are Articulated Credit with Post-Secondary Institutions, may meet Michigan Merit Curriculum final-year math experience graduation requirement, project development, outdoor work opportunities and work place atmosphere. Classroom activity consist community service projects, construction safety, field trips, hands-on building, 10-hour ISHA training and work-ethnic skills.
