Educator Academy CTE Career Cluster: Education & Training

WHAT TO KNOW

The Educator Academy is a one-year program. Teacher cadets begin by learning foundational skills to be successful in a classroom including developing relationships and creating a safe environment. Working alongside veteran teachers each week, cadets will practice these skills in their community. A realistic understanding of teaching as a career will be achieved through assignments and experience in a variety of subjects, settings, and grade levels

CLASSROOM AND PROGRAM HIGHLIGHTS

Second-year students have the opportunity to earn the Michigan Youth Development Associate Credential and be a Reading Support Scholar through AmeriCorps. Complete the program and you can be eligible for articulated college credit.
